Thank you so much for your interest in participating in our annual musical while raising money for legal charities! We are so looking forward to meeting you all and collaborating on this very special production. The good news is that you all got the job and will be with us on stage! Before rehearsals begin, the creative team would love to meet you and get a sense of each individual's skill set. This will allow the creative team to understand how to best utilize everyone's talents and determine the best character fit for each performer.

We would love for all of you to:

1. Wear comfortable clothes that you can freely move and dance in. Please wear closed toe shoes and come to the workshop, warmed up and ready to move! We will all be learning a short dance combination together.
2. After we dance, we will do a few acting exercises as a group. There is no need to prepare anything, we just ask that you have an open-mind and a collaborative attitude!
3. Lastly, we would love to hear you all sing! Please bring 60-90 seconds of any song in any style of your choosing to sing for the creative team. We would like for it to ideally be with an accompaniment track and for this song to show off whatever your favorite style of music is that shows you off best! Please bring your track on your phone. We will have a speaker with an iPhone and Android adaptor/connection. If you prefer, the team is also open to hearing your rendition of *Happy Birthday* or the *Star-Spangled Banner*. When you arrive, you will sign up for a singing slot, and sing for us at the end of the Workshop.
